GET TO KNOW MS. JOYCE

Hello! I was born and raised in the Sheboygan, Wisconsin area. I started taking ballet and tap classes at the age of 5 and fell in love with dance! Shortly after, I added twirling baton and jazz classes as well. My love for dance also meant that I was involved with music and theater throughout my school years. In college, I hung up my dance shoes and focused on earning my degree from Moody Bible Institute in Bible & Theology. After graduating, I married my sweet husband. I followed him around this country as he went to college and pastored at several churches before we settled here in the Fox Valley.

We are a homeschooling family with 8 children ranging in age from baby all the way to 15! We have been at Brighter Days Dance since summer 2016 as a dance family. I started teaching ballet in the fall of 2018.

One of our family hobbies is photography. My husband enjoys going out and teaching our children how to use cameras. When I get a chance, it is something I love to do as well; but you will usually find me baking and cooking, which is something I enjoy and my family benefits greatly from!

My life verse is Psalm 27:1:

*The Lord is my light and my salvation—
whom shall I fear?*

*The Lord is the stronghold of my life—
of whom shall I be afraid?*

\$35/per person or \$40/adult-child pair (plus \$5 each additional child.)
February's Art Class will be a little different, maybe interesting a few more families to join us! We will be doing a combination art project and cookie decorating project.

Each person will be able to creatively ice and decorate a dozen, pre-made, large, cut-out, sugar cookies with frosting and sprinkles. Each person will also be able to design their own special keepsake box (they can use for anything they want.) Some may choose to use it to box up some of their cookies as a gift for someone. Others may have completely different ideas to use their box for a separate gift or to keep it for themselves.
