- Be willing to learn and perform routines to all 6 genres we offer: ballet, tap, hip hop, jazz, lyrical and cheer & dance.
- Be available to perform in Oshkosh on July 9<sup>th</sup> (time TBD).
- Be available to perform in Appleton on August 27<sup>th</sup> (evening time TBD).
- Be available to perform in Green Bay on October 14<sup>th</sup> & 15<sup>th</sup> (time is TBD, but will more than likely be during the day, so they might need to miss school).
- Be responsible for getting to the performances on their own or arranging a ride with another dancer.
- Have appropriate shoes for the genre being performed (this is TBD).
- Be willing to purchase a costume if necessary.

This is NOT a competitive performance team, rather a team that will perform to glorify God at different events/gatherings around the valley. There is a chance we could add performances, but for now, these are the only ones required for dancers to commit to.
